

FASTENAL®

Ames Construction

Welcome!

Ames Construction has selected Fastenal as their preferred construction and industrial supplier, which means you can start receiving the benefits of Fastenal's national account contract immediately.

Take advantage of contract pricing and other Fastenal programs by reaching out to your local Fastenal representative to discuss the resources and technology available to help streamline your supply process. Your participation is critical to the success of this program. Profit from your new national account contract by getting started today!

CATEGORY MANAGEMENT

Fastenal offers something unique in our industry; product breadth and category expertise including a full-line of construction and industrial supplies. JOBSITE SOLUTIONS

As a supply chain solutions provider for thousands of companies, we understand the common challenges and best practices, but nobody knows your job better than you. Our approach is to listen, collaborate, and scale a solution that aligns with your unique needs and goals. Fastenal has a variety of ways to put the right amount of inventory where and when you need it. From industrial vending machines, to jobsite storage boxes, or FAST POD containers on-site we'll tailor an inventory management solution to fit your needs.

A LOCAL TEAM TO SUPPORT YOU

Looking for an expert? We have resources to help you minimize delays and costs so your team can focus on building. With 3,200 locations spanning the globe, no matter where the job takes you, you'll find a local Fastenal ready to serve. Discuss your challenges with us and we will find ways to bring value to your jobsite. As an added benefit to our construction customers, we offer a centralized single point of contact to help with sourcing, quoting, and processing of orders. We're ready to mobilize our local team and corporate resources to drive **your goals**.

ECOMMERCE EASE

Access and easily order with your contracted pricing using Fastenal's ecommerce platforms. Both online and punchout orders are fulfilled by your local branch. If your company has a punchout, login to your procurement system to find your Fastenal catalog. If you want to use Fastenal.com, simply use the link below to register your account to start purchasing.
